NORTHWEST SOUND YOUTH SOCCER ASSOCIATION NSYSA

Date: 05 October 23015

Subj: NSYSA VP of Competition October 2015 Report To the NSYSA Board

1. The season began with the first weekend of games on 12 September. With three weeks of the season completed, only minor complications have occurred.
 - a. A few games have reported scores with disproportionate goals. I have sent a mailing to all Clubs with recommendations of mitigation for these situations.
2. Several comments regarding the scheduling process have been brought forward:
 - a. Registrars must not create new team ID numbers. This situation creates conflict and hides the true success of the teams for previous seasons.
 - b. Club schedulers must mitigate late season issues for fields within their scheduling process. Schedules may be managed to allow for trading locations to support field closing.
 - c. Clubs will be notified by the VP of Comp when the schedule has been forwarded to KPSRA.
3. NSYSA Registrar must lead a committee for the preparation of outcome regarding the changes to age effecting teams & player age.
4. We have had 352 Games scheduled for the Small Sided Game.
5. We have had 153 Games scheduled for the REC Game.
6. We have had 51 Games scheduled for the Comp Game.

League	Games Scheduled Through 09/27/2015	Total Games Fall 2015 Season	Games Reported By Coaches	% of Coaches Reports Submitted	Number of Games Covered by Referees	Number of Games Uncovered by Referees	% of Coverage
Small Sided	351	1130	166	23%	192	149	55%

7. Misconducts reported for the 2015 Fall season include:

2015 Fall	Player Cautions	Player Send Offs	Coach Warnings	Coach Expulsion
wk 1	1	0	0	0
wk 2	1	0	0	0
wk 3	4	0	0	0

2014 Fall	Player Cautions	Player Send Offs	Coach Warnings	Coach Expulsion
wk 1	5	0	1	1
wk 2	7	0	0	0
wk 3	4	1	0	0
wk 4	2	0	0	0
wk 5	1	0	0	0
wk 6	2	1	1	1
wk 7	2	1	0	0
wk 8	2	1	0	0
wk 9	5	0	1	0
wk 10	3	0	0	0
Total	33	4	3	2

8. Rescheduled games are being managed poorly. The NSYSA Operating Procedure is specific to the process to request game changes. This process includes the following:
- a. Coach to Coach
 - b. Agreement of coaches is communicated to Club VP of Comp
 - c. Club VP of Comp forwards to NSYSA Webmaster and cc'd to NSYSA VP of Comp.
 - d. Reschedules should not be for convenience sake alone. Clubs will insure backup coaches are available if needed.
 - e. Proms, testing, and social events have already leaked into the schedule conflicts. We must get a handle on these areas. Last minute changes are not acceptable.
9. One \$100 fine has been assessed to a team that failed to show due to one of these conflicts.
10. Multiple \$35 assessments have been assigned due to schedule churn.

NORTHWEST SOUND YOUTH SOCCER ASSOCIATION NSYSA

11. Sideline conduct continues to be a part of coaches' reports as well as referees.
Unacceptable conduct cannot be tolerated.
12. Please remind your coaches that slide tackling is not allowed for the Small Sided game.
13. President Louie has spoken about a Spring season. It was an item of my report to the 2014 - 2015 AGM. I am still hoping we can have positive talks about this opportunity.
 - a. First of all we can consider an academy style format for the U07 and below. Perhaps co-ed. Maybe only a couple Clubs would lead in this and all Clubs would participate.
 - b. For U08 and above, we could have co-ed teams.
 - c. A short season of 6 or less games.
 - d. Referee coverage may be parents.There are many possibilities, but the impetus of the movement cannot go forward if we do not start the communications.
14. We will have a lessons learned scheduling / registrar meeting after the season.
Please save your ideas and thoughts for positive discussion during this meeting.

NSYSA September 2015 Scheduler – Webstaff report

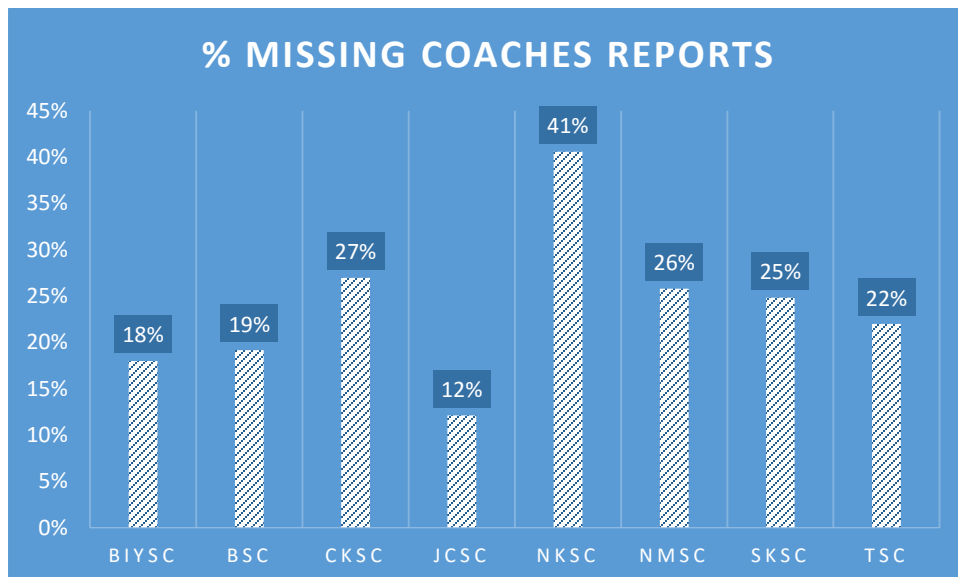

Associations scheduling fee income exceeds budget

As of September 30, NSYSA has assessed \$31,855 in Scheduling Fees to clubs. This exceeds 2015's budgeted forecast of \$27,515 by 15.77%.

Match Reporting Progressing

With 578 Fall 2015 matches completed we're receiving improved reporting from small sided referees. Currently only 36 small sided match reports are still outstanding. This is a grand improvement over this time last year. Outstanding Coaches reports is another story. We are running 52.4% missing match reports after three full weeks of Fall season play.

Findings: It doesn't matter if match was home or away, coaches are equally forgetful filing their reports. Club **JCSC** is our most responsive with only a 12% outstanding coaches report ratio to total number of placed JCSC teams

Club **NKSC** needs the most work with over 41% of their placed teams failing to supply coach match reports. Each week we send out reminders to missing reports to referees and associated team Points of Contact (POC), along with appropriate Club officials.

In addition to reminders to submit missing reports we supply written and video "How To" tips to both coaches **and** Club Registrars. Of our 400 placed teams only 15 rely on team Assistant Coach or Manager to be the POC. **(Some Club's still don't have RMA cleared coaches assigned to teams!)** Every team with multiple members of the coaching staff is encouraged to assign paperwork, (i.e. pre-game roster printing and post-game coaches' match reporting), to a responsive POC other than defaulting to "Coach".

Without Coaches and Referee match reports we don't have data for competitive bracket placement discussions in the future generated by standings, nor do we have sportsmanship inputs for U11 and above Rec play.

Soccer To The Maxx and Recreational Cup scheduling will be up next.

Respectively submitted –

Steve Shively, NSYSA Scheduler / Webstaff
