

Recreational Cup Report - Lou Bond – NSYSA Rec Cup Director

We were able to finish our home match requirements for Quarter Finals this past weekend. We hosted 5 matches. We had numerous last minute changes including fields and times which needed coordinating with away teams as well as our home teams and the referee crews. Huge thanks to **Steve Shively** for making all the various changes and staying ever present with keeping our website current coordinating with KPSRA (**Don Sommer** and all of the referees who supported this endeavor given the tough last minute weather issues...we had outstanding referee coverage who had fantastic games and without them these games would not have happened...so Big Thank you to all of them) **Susie**, was also our iron woman of the association who worked tirelessly (literally without sleep the Friday this all came down) helping with ongoing changes and communications as fields were being taken away from us. Great Appreciation to **Bremerton Soccer Club** of **John Hurley** for securing the Bremerton High School Field for all 5 matches and **Brian Burdick** who showed up at 9am and stay till 8:30pm working nonstop with a fantastic army of volunteers who helped get all the lines and all the 20 yard areas on both sides completely cleared of snow by 11am for 1st match to kick

off, then each half and between matches removing more and more snow with help from the sun. We had our other extraordinary folks who I would like to shout out to with **Vicky Webb** and **Alanna Standaert** with TSC, **Eric Evans** with KAFC who all helped field Marshall through out the day. We had help from **Jason** NMSC who heard the call and brought shovels and wheel barrow to help get 1st match ready, so many parents and families came out to do their part so the kids could play and I was thrilled to see all that cooperation which included some parents and assist coaches from opponents teams helping as well. **Chris Hunt** with Ck helped in the afternoon as well. So Many Helpers and don't have all the names.....We heard many thanks from the players and coaches for these games being able to be played. Some before pictures with the first 4 volunteers. (I was too busy to take one at 10:45 with the incredible number of families and people all shoveling to get the field ready in time (must have been 25 to 30 people helping?)

We have the following teams playing at Starfire in Tukwila this coming Saturday the 10th and or Sunday the 11th.

BU13 NM Huskies 9am field 1 Sat 10th if they win then finals at 2:15pm Field 4
BU15 BSC McKay Noon field 1 Sat 10th if they win then finals at 5:45pm Field 4
BU16 Tracyton Bulldogs 8:30am Sat 10th field 2 if they win then finals 4:30pm Field 4
BU17 Tracyton Merry Cyclones 10am Sun 11th Field 4 if they win then finals 3:30 Field 1

GU11 CK Ottmar 9:45am Sat 10th field 9 if they win then finals 2:05pm field 9
GU14 JC Bobcats 10:30am Sat 10th field 3 if they win then finals 4pm field 1
GU16 CK Hunt 2:30pm sat 10th field 2 if they win then Sun 11th 1:30pm field
GU18/19 Tracyton Flores sat 10th 2:15 pm field 11 if win then Sun 11th 9:30am field 1

For the Semi's and Finals we are looking for field marshals and folks for award ceremonies, so if you have some availability let me know so I can provide a list of names and times so we can help populate those matches to help this coming weekend.

Thanks, **Louie**
